

Tuberculosis Board Meeting  
October 21, 2015  
Logan County Department of Public Health

Members present: Dr. Tracy Mizeur, Diane Stephenson, Don Cavi, Kara Davis, Katherine Yaple, Kaye Wilmert

Excused: Kenda Jones

Call to Order: The meeting was called to order at 12:15 pm

Approval of April 15, 2015 minutes: Diane Stephenson made a motion to approve the minutes as presented.

Kara Davis seconded the motion, which carried.

Treasurer's Report: Diane Stephenson presented the treasurer's report along with Katherine Yaple. The balance as of 09/15/2015 was \$154,123.19.

Treasurer's report will be OK when corrections are made. Dr. Mizeur made a motion to accept the report. Don Cavi seconded the motion, which carried.

Nursing Report:

Kara Davis presented the following information to the group:

We did 4+ months of DOT (Mon-Fri) with a "clinical" case of active TB. No confirmation that it was active TB but she did respond to treatment. No mycobacterium tuberculosis ever grew out of her sputum. This will be counted as an active case in our county. The first case in many years. Contact investigations were done on all contacts.

We had to pay for her phone during this time, plus all transportation to get her to ID Dr. in Springfield. We have done DOT on a case for 5 weeks, which was diagnosed not TB and we discontinued DOT and will be followed by the Dr. All contacts were tested also.

We are not treating any LTBI at this time.

We have done several quantiferon blood tests recently.

Other: Don Cavi reported that the Logan County Board approved the TB budget. Diane Stephenson reported that there are 3 more college students that need to be tested.

Next Meeting: April 20, 2016
