HEALTH DEPARTMENT TO TEMPORARILY REDUCE CLINIC HOURS

Due to staffing, the Logan County Department of Public Health (LCDPH) walk-in clinic will not open until 1pm on Wednesday, December 15th. Normal clinic hours are from 7:45am – 3:45pm.

LCDPH, as scheduled, will be offering the Johnson and Johnson COVID-19 vaccine in the walk-in clinic during the limited Wednesday afternoon hours. The scheduled 9am-12pm Moderna booster clinic, which requires pre-registration, will not be affected. People who have pre-registered for the booster clinic should still plan to attend.

The health department apologizes for any inconvenience this may cause but remains committed to providing quality public health services. For more information regarding COVID-19 and clinic operations, please call 217-735-2317 or visit the health department website at WWW.LCDPH.ORG.
