HEALTH DEPARTMENT TO EXPAND HOURS

Due to the two-year budget crisis, the Logan County Department of Public Health (LCDPH) was forced to limit operation hours on Friday beginning in 2015 due to the lack of available public health funds. Now that a state budget is in place, LCDPH is expanding hours of operation back to full-time to provide increased accessibility to services for the public.

Beginning in April, LCDPH hours of operation will be Monday-Friday from 7:30am-4:30pm. Please note, public clinic hours are Monday-Friday from 7:30am-3:45pm. SIU Center for Family Medicine at LCDPH will continue to operate on Friday until noon. For more information regarding LCDPH services, you may contact them at 217-735-2317 or log onto their website at WWW.LCDPH.ORG.
